

TEXAS A&M
HEALTH SCIENCE CENTER
OFFICE OF THE PRESIDENT

February 11, 2009

TO: Health Science Center Faculty and Staff

FROM: Nancy W. Dickey, M.D. 
President, Health Science Center and
Vice Chancellor for Health Affairs, Texas A&M System

SUBJECT: Reaffirmation of Commitment to Equal Employment Opportunity, Access
and Affirmative Action

The Texas A&M University System is committed to providing an educational and work environment that is conducive to the personal and professional development of each individual employee. The Vice Presidents and Deans of the Health Science Center are responsible for achieving this goal, and each Health Science Center employee is accountable for creating an atmosphere that values and nurtures community, collegiality, and accessibility.

The Health Science Center is committed to serving the state's students and citizens through education, leadership development, research, and service. I am committed to meeting these goals through a dynamic and diverse workforce that effectively responds to our constituents.

It is my firm commitment to ensure that equal employment opportunity and access will be provided throughout the Texas A&M Health Science Center to all students, employees, and prospective employees. If you have any questions related to equal employment opportunity, access, or affirmative action, please direct them to Mr. Carl McLin, Chief Human Resources Officer, 979-458-7280 or by email at mclin@tamhsc.edu. Please join me in this commitment.
