Evacuation: Make your way to a building exit when the evacuation signal sounds. Proceed to emergency assembly area for your building (above).

All Clear: Wait for an “All Clear” announcement before returning to the building. This can come from HSC Facility personnel, Environmental Health & Safety, Security, or other emergency personnel. **Silencing the alarm is not an All Clear signal.**

Texas A&M Health Science Center, Environmental Health & Safety
Clinical Bldg. 1, Suite 4130, 8441 State Hwy 47, Bryan, TX 77807
