BCD Emergency Assembly Area:

BCD Parking Garage Level 1

Evacuation:
Make your way to a building exit when the evacuation signal sounds. Proceed to BCD parking garage for evacuation assembly in designated space numbers. (pg. 2)

All Clear:
Wait for an “All Clear” announcement before returning to the building. This can come from Facility personnel, TAMHSC Environmental Health & Safety, or other emergency personnel.

Silencing the alarm is not an All Clear signal.
Emergency Meeting Areas in Parking Garage by Space Numbers:

Spaces are located on the 1st Floor. 1 to 31 and 2 to 32 are along the Gaston Avenue side and 53A to 69 and 60 to 68 and are along the Nussbaumer Avenue side. Odd and even numbered spaces are grouped separately, i.e., 1 to 31 are on one side and 2 to 32 are on the opposite side.

Departments not listed, students, and patients should meet on the main down ramp between the 2nd and 1st floors. Call Environmental Health and Safety at extension 8301 to obtain a copy of the garage floor plan showing the location of the space numbers.
